3. Supervising Board of Directors, Board of Management and shareholders by Audit Committee

The Company's Board of Directors structure ensures that 1/3 members of the Board of Directors are independent members according to legal regulations.

In 2024, the Board of Directors also monitored and evaluated the results of the Company's operations; reviewed the Company's policies and regulations to update and timely amend them in accordance with current legal regulations; amended and supplemented the Company's Charter, Internal Regulations on Corporate Governance and other internal regulations in accordance with current regulations and the Company's operating mechanism. All members of the Board of Directors attended all meetings of the Board of Directors to be able to provide opinions on issues under the authority of the Board of Directors, demonstrating a high sense of responsibility, providing timely directions and instructions for the Board of Directors to implement in accordance with the Company's operating situation and market requirements. The Board of Directors also searched for and appointed senior personnel in accordance with the prescribed standards and conditions, promptly completing the Company's organizational structure to comply with new regulations. The Board of Directors and the Board of Management have completed the company's organizational chart, adjusted and improved regulations, policies, rules, and working procedures, contributing to improving management and operation capacity and limiting risks in the company's operations.

In 2024, the Committee conducted inspections and monitored the Company's business and financial management as follows:

- Oversaw the Board of Management' activities through meetings and the resolution issuance process; monitored the implementation of Board resolutions.

- Checked the reasonableness, legality, accuracy, and prudence in managing, organizing accounting and statistical tasks, and preparing financial statements; worked with external auditors.
- In 2024, significant fluctuations in the domestic and global economies considerably affected the Company's operations. The Committee acknowledged that the Board of Management and the Executive Board undertook various measures to safeguard the Company's legitimate interests, stabilize operations, and adapt the organizational structure and activities to market and customer changes.
- Regarding the internal control and risk management system, the Committee recognized that in 2024, the Company maintained a reliable and effective quality management and internal control system. Beyond updating procedures and regulations to align with real-world changes, the Company promoted self-assessments within departments and manufacturing units.
- In terms of Product Quality Management System, the Committee noted that the product quality management system, environmental management, and social responsibility were operated in compliance with state standards and customer requirements.
- In terms of Internal Audit Activities, the Committee observed that in 2024, internal audit activities shifted focus from compliance auditing to supporting and advising units on risk management and internal control.

Regarding the preparation and auditing of financial statements, the Audit Committee came to the conclusions as follows:

- Regarding the preparation and auditing of financial statements, the Committee found that the Company's financial statements were prepared fully in accordance with Vietnam Accounting Standards and submitted timely as required by regulators.
- From reviewing unaudited financial statements, the Committee assessed that the financial statements prepared by the Company fairly, honestly, and reasonably reflected the Company's assets, liabilities, equity, business results, and cash flows in line with Vietnamese Accounting Standards, accounting policies, and current regulations.
- Regarding financial management, the Committee found compliance with legal and internal regulations and adherence to current accounting standards and policies.

Currently, as the 2024 financial statements are under independent audit, the Committee will continue working with the independent auditors and the Executive Board and update financial analysis in due course.

4. The coordination among the Audit Committee, the Board of Management, Board of Directors and other managers

All members of the Audit Committee are the current members of the Board of Directors, so they should facilitate coordination between the Board of Directors, the Board of Management and other management departments in the process of performing their tasks, creating adhesiveness and bringing high efficiency in monitoring the Company's activities.

5. Other activities of the Audit Committee (if any): none
